

# Volunteer Role Description

## Graphic Design volunteer

### GMFA's vision and mission statement:

**Vision** – GMFA wants a gay community where individuals are able to make informed choices about their health, and a society that embraces equality and respects the right of people to make informed choices.

**Mission** – Improving gay men's health by increasing the control they have over their own lives.

### Role

To implement design on various GMFA's projects / interventions.

### Specific responsibilities

Creating design elements of assigned GMFA projects, following agreed design briefs.

### Experience and Requirements

Design volunteers must have either design qualifications or relevant design experience.

Must complete/fulfil the 'New Design Volunteer' brief and submit this artwork to GMFA.

Designers should either have access to design equipment and software or the ability to access GMFA office equipment during office hours.

Work productively with groups.

### Commitment required

Design volunteers should complete any design brief as agreed and within any timeframe given.

### Authority

Design volunteers have the authority to make any design decisions necessary to meet the brief. However ultimate authority for the final content will remain with the group developing the intervention.

### Benefits

Design volunteers have the potential to add to their portfolio of published work.

Achieve a high level of exposure for their work.

Potential to add to their design experience.

### Potential Frustrations

A designer's work may not be chosen for publication.

The design may require a number of amendments before the approval process is complete.

A range of skills & knowledge needed.

Design volunteers only work periodically.

### Potential Satisfactions

Working creatively to find design solutions that increase the impact of GMFA projects / interventions.
